How do I get started???
To apply, visit the website below and complete the application:
www.dowstemscholars.natsci.msu.edu

You will need to choose a Dow orientation date.

Summer 2017 (Choose week 1 or 2)
- Dow Scholar Orientations
  - June 11th — 13th (Week 1)
  - June 18th — 20th (Week 2)
- After the Dow STEM Orientation you can opt to attend AOP.**
  - June 13th — 14th (Week 1)
  - June 20th — 21th (Week 2)

**Dow has saved spaces at these sessions of MSU AOP. If you have already registered for AOP for a different date, please let us know if you want us to switch your reservation.

The Dow Scholar Program is a research initiative developed to find ways of ensuring academic success in STEM fields. By participating you will be not only helping yourself, you will be helping future students!

“Asking for help can be very difficult but struggling hurts more.”
- T.H. former Dow Scholar

A PROGRAM DESIGNED TO BOOST ACADEMIC SUCCESS

Sign up today!
Enrollment is limited to the first 120 students who apply.
Did you place into MSU Math 1825?

Here’s how to get a head start on your classes and stay on track for your major courses.

Did you know?
- 30% of all students who enter MSU place into Math 1825, Intermediate Algebra.
- Math 1825 does not earn credits for graduation
- Taking Math 1825 at MSU costs ~ $1,600 in tuition
- Taking Math 1825 (Fall 2017) can delay enrollment into major courses and delay graduation

We can help!
The Dow STEM Scholars (DSS) program allows you to take a specially designed online math course during summer 2017. At the end of the summer course students who have been successful can place into Math 103 (College Algebra) or higher for Fall.

2016: Dow Quick Facts
- 74% of Dow Summer Math participants placed into Math 103 for Fall 2016
- 54% of 2016 Dow Scholars earned a 3.0+ or higher grade in the Dow Section of Math 103
- 63% of 2016 Dow Scholars earned a 3.0 or higher GPA for Fall Term 2016-17

What does it cost???
It’s FREE & it saves you money!
All summer course materials will be provided to all DSS students!

This is a savings of approximately $1,600!

Exclusive DSS Program Features
- An on-line FREE summer math course
- No charge for summer course materials and Calculator
- Specially designed Dow STEM chemistry course and math sections in Fall and Spring
- Activities and field trips designed to make you a more successful student
- Future research scholarships and opportunities your sophomore year
- Specially designed Dow Scholars Freshman Seminar Course
- Dedicated Dow advisor and peer mentors
- Participation in mandatory research surveys and focus groups
